ANNOUNCEMENT

Hey everyone, here's a link to the anonymous reporting form:

<https://forms.gle/9yyiB7xQMX6CES9n>. It's also in the footer of the website.

We've made changes to the Code of Conduct based on Codes of Conduct from Twitch, Microsoft, Didi Chanoch, and Annalee Flower Horne and will updating the website soon. We expect the Policy Task Force will have some changes once they have their first meeting.

Sign up for the first Task Force meetings here:

- Marketing Task Force - <https://lettucemeet.com/l/Zv6rP>
- Training Task Force - <https://lettucemeet.com/l/Xj1Dr>
- Event - <https://lettucemeet.com/l/12w0R>
- Policy - <https://lettucemeet.com/l/eZOW8>
- Applicant Processing - <https://lettucemeet.com/l/Jpq3x>

Meeting #2 of International Women's Day - 1st event of the year, hope to help re-engage members as a starting point and get a process that the Events Task Force can easily repeat. Their first meeting will be this month.

Sessionize has been set up

41 days left - as soon as Task Forces start organizing and have their first meeting they can brainstorm future ideas for challenges and events

info@livecoders.dev - separate mailbox

Send that for changes -

"The Live Coders presents"

The url - livecoders.dev/conference

Christina to update Sessionize - add the time zone, preferred pronoun, and twitch channel

<https://sessionize.com/womensday2021>

Do we have a catch-all email address "info@livecoders.dev" so multiple people can have access to that email account? Use it for the letterhead

Need language description for the sessionize event - whose email shall I send the invitation to?

What Tracks? I just set it to "Technology"
What about Event topics?

I created a Phonetic Name Pronunciation? and added a file upload as well

We need a webpage to redirect people to with conference information.
Date, time, how to speak, description

need 3 interview questions for the speakers who are participating and someone to interview them - please review and help with the language

- 320px wide and 450px tall for diamond level
320px wide and 600px tall for the Team Sponsorship

MC

Moderators

graphics for social media

graphics for sponsors - what size was the inline graphic for sponsors to have chat room placement? How many characters for the inline ad?

-----10-20 page Lean Pub e-books - publish on Amazon - Moderator program

Draft of a a direction and a vision for moderation - ex. Suz Hinton blog - example: what is moderation, why, what are you preventing, the tools enabled in twitch, quality of life and safety from abusers

David - the Wiki - Christina needs to learn some new skills

Layla - Wiki tomorrow and the wording promo together - she can show GitHub repo -

Wiki is a public forum

Things we are comfortable as a team

Brand Style Guide

Open for read-only

and then pull requests for the Policy Task

Sponsors? Nord VPN is making a serious cash push - Hanselman? Content Lab streamer who helped Hanselman? - or maybe reach out to the streamers

KlipTok - promotion campaigns for the team projects - he doesn't have the facility for yet , but would like to add a promotional feature

- brands consistent - the projects that team members promote those -
- Workshops Layla has built
- FierceKittenz manages gift box
- etc.

A catalog of "if you like these products, here are the folks working on things"

- SEO and visibility will improve with backlinks
- Helps promote team members

Profile pages they have social media links, but we can make a "add my product to the livecoders product catalog... link and description on the website" pull request in a json block

Layla - repost announcements in general, bots... acknowledgement emoji Carl Bot
<https://carl.gg/?> Get people to acknowledge that. Interstitial or an action-blocking modal in Discord - what people use for codes of conduct - we have ME6 Bot

Layla accelerate her learning for learning Carl Bot - she will check it out in the morning 8:30 a PST 11:30 a PST - agenda: International Women's Day language for cfp , and Wiki GitHub Repo setup - recorded

Fritz - ME6 Bot, there is reaction rolls, timers, embeds, not the same as the code-of-conduct

- SaintPlays - working with Discord Bots and configuring
- Clarkio - works with bots

Newsletter big community thing email service thing -

cross-post to General sign up for the meetings and you can still sign up now

reach back out to re-invite people to engage with some of the new initiatives we are working on:
